

Totstars Ltd  
41-42 Keeley Road,  
Croydon,  
CR0 1TF

The Vocal Element were contracted by Totstars to provide a fun and challenging performing arts workshop for 5-11 year olds during the summer holidays in 2015. The Vocal Element were an absolute pleasure to work with from the moment they were contacted until the very last minute of the production. We have contracted many companies in the past who work with children but what helps The Vocal Element stand out are the dedication and passion of the owners. Alyx and Dayzee are brilliant at engaging the children that they work with - at their level! It was not always easy as the children were at differing ages and abilities but The Vocal Element Team worked hard to ensure that all the children present, played an important and equal part of the workshops and subsequently the end of scheme show.

The Vocal Element were open to suggestions from our team in relation to the structure of the day and were flexible when coming to working around our timetable.

The Vocal Element met with us before the holiday scheme to put forward their proposal and share with us their vision of how The Vocal Element can work with Totstars to provide an exciting and worthwhile scheme.

We can definitely be confident in saying that outsourcing the performing arts workshop with The Vocal Element helped create a brilliant 6 holiday week holiday scheme for the children.

We will be sure to use them again!

Kind Regards
